

EVERGREEN

The Evergreen State College
Office of Admissions

TO: Admissions Office, Olympia Campus
FROM: Tacoma Program
SUBJECT: IN-TAKE INTERVIEW

I had the opportunity to meet with the following student:

Name of Student	Social Security Number (optional)
-----------------	-----------------------------------

As a result of that discussion, we both agree that:

The Tacoma Program appears to offer the academic work necessary to assist this applicant toward her/his BA degree.

The Tacoma Program **does not** appear to offer the academic work necessary to assist this applicant toward her/his BA degree. Because this qualified student was not aware of the distinct nature of the Tacoma Program, Evergreen will refund the application fee. If the applicant decides to apply to the Olympia Campus for a future quarter, she/he understands that she/he will be subject to all admission requirements and deadlines in effect for the quarter to which she/he applies.
