Preview: Evergreen will feel the loss of All-Conference Honorable Mention forward Kristi Auckland this season. Auckland graduated in the spring after a great senior year in which she totaled a school record of 10 double-double games and averaged 13.63 points per game.

The Geoducks return senior Katie Garcin in the forward position and Alex Saab who had a great freshman year, averaging over 8 points a game. Junior Angel Stewart vastly improved last year over her frosh year as a Geoduck and should again help the team with her speed and agility. Le Asia Jones (5-11), who sat out last season with an injury sustained in the volleyball season, and Jasmine Horton (6-1) will bring height to the line-up.

Transfers Latrina Woods and Chelsea Nill (both 5-8 guards) will help the team with their quickness and scoring ability. Woods averaged 12.6 ppg at LSU during the 07-08 season and Nill hit 11.7 ppg last season at YVCC.
