## Upcoming Races

### Evergreen at UW Invitational

January 27-28 - All Day  
 Dempsey Indoor Facility - Seattle, Wash.

## The Starting Gun

With over a foot of snow on the ground in Olympia, it is hard to believe that the 2012 track and field season is underway but thanks to a strong performance by senior **Karissa Carlson**, the season is off to a great start.

## Among The Nations Best

In her first race of 2021, senior **Karissa Carlson** hit the NAIA "B" standard in the 800m run at the UW Preview at Dempsey Indoor in Seattle, Wash. Her converted time of 2:20.27 is currently fourth in the nation.

## Coaching In The Spring

First year head coach **Malcolm Dunn** will be heading up a track and field program for the first time since 2004-05. Dunn was head cross country coach at Whitman College in Walla Walla, Wash. for five years but the Missionaries did not sponsor track and field. Dunn's last experience as a head track and field coach came at his alma mater of Carleton College in Northfield, Minn. Despite not having a team of his own, Dunn did spend four years as West Region Representative on the NCAA DIII Track and Field Committee, as well as two years as the Chariman and Division III representative on the NCAA Track and Field Rules Subcommittee. He was an assistant coach with the Saint Martin's track and field teams in 2011.
