RE: Space Management Meeting 11/6/08

The following is the agenda for our next Space Management meeting:

1. Introductions

2. Approval of Minutes

3. Showers for Women

This email is a follow-up to the question I raised in our All Advancement staff meeting. I'm wondering if we can get more showers installed across campus that women can use. I found the commuter shower in Lab I in a bathroom for either sex, but the one in Lab II is in the men's room. Not only do I run at lunch and would love to be able to shower off afterward without going to the CRC, but I also plan to be a bike commuter in another year and a half when my kids can start taking the bus to school. Are there any other showers available on campus? Could there be one installed in the library building somewhere? Thanks for looking into this for me!

4. John Hurley's Recommendation
