<ul style="list-style-type: none"> • Rates do not include a technician to be available throughout the program. If a technician is requested there would be an additional labor charge. • Equipment rentals on evenings and weekends may result in an increased labor charge. • Rates are subject to change and do not include 8.4% Washington State Sales Tax. • If TESC equipment is not available we can rent equipment from an off campus purveyor. Their rental rates would apply.
