

Emergency Information for Students and Parents

- Emergency contact information:
 - 360-867-6000 – initial contact number for information about students. Depending on the situation, Evergreen may establish a specific student information line. Call to the above number or check the Evergreen website for further information.
- Evergreen website:
 - The Evergreen website at: <http://www.evergreen.edu/subsites/siteindex.htm> will provide updated information about the situation on campus.
- Emergency notification:
 - e2Campus: The campus emergency notification system. Students and parents can sign up for this free service that provides emergency notification via text messaging and email. To sign up for e2Campus and learn more about emergency preparedness at Evergreen visit: <http://www.evergreen.edu/facilities/emergency/>
- Announcements:
 - For announcements regarding events on campus tune into the campus radio station KAOS radio 89.3 or on the web at <http://kaos.evergreen.edu/>
- Olympia emergency information:
 - Radio station KGY 96.9 also provides emergency information for the Olympia area.
- Emergency Food and Shelter:
 - For students living on campus, Evergreen is prepared to house and feed those students for up to a week using emergency food stores and establishing shelters as needed.
- Emergency Supplies:
 - Evergreen has a good cache of emergency supplies that can be deployed as the situation dictates.
- What Students need to know:
 - Students should be familiar with:
 - The emergency procedures for different types of events, and
 - the various building evacuation routes.
 - This information is available on the Evergreen website at: <http://www.evergreen.edu/facilities/emergency/>

For further information about Evergreen's emergency programs contact the Emergency Preparedness Office at 360-867-6517 or the Environmental Health and Safety Office at 360-867-6111.
