FINANCIAL AID OFFICE

Summer 2011 Financial Aid Application, Policy, and Procedure

Complete and return the Summer Interest Form by **May 06, 2011**. If your interest form is late, be prepared to pay tuition with personal funds. Your budget and offers will be based on the number of credits you have indicated that you intend to enroll in and whether they are at the graduate and/or undergraduate level.

Registration for Classes

You must complete your Summer registration (both 1st and 2nd sessions) by June 24, 2011 to receive financial aid funding during the Summer Quarter. You will be allowed **one** change to registration. Exceptions will be considered if classes are cancelled.

Available Financial Aid Programs for Summer Quarter

Since Summer Quarter is part of the 2010-2011 Academic Year, only unused 2010-2011 eligibility for Subsidized or Unsubsidized Loans can be awarded. See *How to Get a Loan* on the Financial Aid website for maximum annual loan eligibility. Students may be eligible for Pell Grant during the Summer Quarter if they received it during academic year. Most other financial aid programs (such as State Need Grant and tuition waivers, etc.) are unavailable during Summer. When we review your Summer Interest Form, we will determine whether you have Pell Grant or Direct Loan eligibility.

Important Loan Information

The last day to accept Summer Loans for the first session is July 22nd, and for full or second session the last day to accept loans is September 2nd. Accept your loans at your my.evergreen account as soon as you can after receiving a Summer Financial Aid offer. If you accept a Direct Loan and you have never received one before you will have to complete a new Direct Loan Master Promissory Note (MPN) and Direct Loan Entrance Counseling. See *How to Get a Loan* on the Financial Aid website for instructions about completing the MPN and Entrance counseling. Direct Parent PLUS Loans and Direct Graduate PLUS Loans will also be offered to cover Summer costs.

Timing of Awards

The Financial Aid Office will begin making awards on or around May 19, to students who have submitted Summer Interest Forms by the priority date, May 6. Remember, Summer Financial Aid will be based on the number of credits you indicate on the Summer Interest Form.

Withdrawing from Summer Classes

If you decide not to attend, **you will not be automatically dropped**. You must officially drop your enrollment **even** if you do not accept the financial aid offered. If you fail to formally withdraw, you may have to pay for credits you enrolled in. If you accept Financial Aid, failure to attend may result in reduction or cancellation of aid.

=====

Have you filed your 2011-2012 FAFSA yet? The priority deadline was March 15th. We review in order of date your file is complete with a valid FAFSA and any additional paperwork that we request. Watch your my.evergreen account.
