

Bachelor Science Review Request

The information obtained from your Bachelor Science Review is prepared to assist you in identifying where you are academically with regard to pursuing a BS or BA/BS (dual) degree; please use it as a reference guide for future academic planning. You will receive your results via Evergreen e-mail.

Bachelor Science Requirements

- **180** total quarter credits; 45 of the last 90 must be completed at TESC.
- **225** for dual (BA/BS) degree; 90 of last 135 must be completed at TESC.
- **72** total quarter credits – must be in areas of Science, Math, and/or Computer Science
- **48** (of the 72) must be identified by the faculty as upper division science, math and/or computer science.

Name: _____ **A**

Date: _____ **Current Qtr: F W SP SU**

- **Please note: To allow time for posting credits from the previous quarter, processing of Bachelor Science Reviews occurs during weeks 5 through 11 of each quarter only.**
- **If you are currently enrolled in a multi-term program: We cannot hold a request and track program completion for individual students; therefore, please request a BS Review only after completion of your entire program.**
- First BS Review? Yes No
- Transfer credits to TESC from another institution? Yes No
