

The Evergreen State College
 Evergreen Student Experience Survey 2008
 Responses of First-Time, First-Year Students

Academic Workload

Students were asked to indicate how they perceive their academic workload. The most common response among first-time, first-year respondents was "Just Right" (61.2%). A total of 20.9% indicated that their academic workload was "A Little Too Heavy" or "Too Heavy" and 18.0% indicated that their academic workload was "Too Light" or "A Little Too Light."

How does your academic workload seem to you? (N=139, 1 respondent skipped question)
