

MES Thesis Titles, Alphabetical by Title

Aboriginal rights as a reflection of social justice in British Columbia

Belzberg, Adam

1999

The acceptability of strawbale housing : a preliminary analysis

Hambrick, Mark E

1999

Addressing food conditioning of Cascade red foxes in Mount Rainier National Park, Washington

Reese, Angela

2007

Administrative reforms in the Washington Department of Game, 1933 and 1987

Steelquist, Robert

[1992]

Administrative rulemaking and consensus building : an epistemological analysis and case study exploration

Carlson, Margen L

2003

Adventure to action : an outdoor environmental education program for pre-teens

Orelove, Jonathon

[1995]

Afforestation of Scottish peatlands : an environmental and economic analysis of policy

Bennett-Cumming, Pamela D

[1995]

The agreement on trade related aspects of intellectual property rights (TRIPS) and the neem tree : an analysis of impacts of patenting on an Indian natural and cultural resource

Ostertag, Nicola C

[1995]

Agricultural inputs and use of public lands in Washington State

Burnett, LeEllyn Joy

2005

Alternative energy development in the Russian far East : learning from the experience of the Northwest region, USA

Koveshnikova, Tatiana

2002

Ambient air concentrations of styrene in Yelm, Washington : a case study of traditional risk assessment practices

Drechsel, Chris
1999

The American dream : environmentalists face a personal paradox
Anderson, Lauri Wynne
1991

Ammophila breviligulata fern. (American beachgrass) on the foredunes of the Washington coast
Seabloom, Eric William
1991

The amphibian decline : not a simple case of habitat destruction
Aldrich, Julie G. McPherson
[1998]

The analysis and comparison of water enforcement strategies in the state of Washington and the Moscow Region of the Russian Federation
Kochtcheeva, Lada V
2000

An analysis of environmental education in two rural Washington schools
Bailey, Richard Shelton
2002

An analysis of the current waste reduction/recycling system and its relevance to achieving a sustainable economy
Kaufman, Jennifer A
2003

An analysis of the development and implementation of the Nisqually River management plan, Washington State
Petersen, Kaia
1990

An analysis of the implications and potential for the use of phytoremediation as a tool in vegetated stormwater treatments of the Puget Sound region
Owen, Colleen L
2004

An analysis of the most effective means of protecting and restoring instream flows in Washington State streams for fish listed under the Endangered Species Act
Romanski, Timothy V
2001

An analysis of the use of market mechanisms to mitigate biodiversity loss and rural poverty in developing countries including a study of a carbon sink project in Chiapas, Mexico
Satō, Hiroshi
2006

Analysis of the viability of developing low or zero emission vehicles to reduce carbon dioxide emissions in the United States

Jamison, Lynda

[1997]

Ancient alternatives : archaeological solutions to current environmental problems

Stilson, M. Leland

1986

Antarctic minke whale (*Balaenoptera bonarensis*) distribution in relation to oceanographic features in the Southern Ocean

Slone, Brandon

2006

Appliance recycling in Washington State

Barrett, Steve

[1993]

The application of aesthetic valuation in public natural resource benefit-cost analysis

Corff, Richard G

[1994]

Applying the ecological accounting method to measure human impact

Rudnick, Paul D

[1997]

Arboreal ant species richness in primary forest, secondary forest, and pasture habitats of a tropical montane landscape

Schonberg, Lisa Ann

2003

Are dioxin levels in pulp and paper mill effluents dangerous

Shen, Richard

1990

Are pesticides a factor in bird declines?

Cravey, Suzanne Perritt

2005

Are pesticides a factor in salmon declines? : an investigation of the Thornton Creek watershed

Loudon, Elizabeth

2001

The artificial propagation and release of rockfish in Puget Sound as a management tool to enhance natural populations of declining stocks

Geiger, Natasha R

2002

The Asian gypsy moth in Washington State : implications of establishment and eradication
Ulvenes, Amber Kamala Oar
2001

Assessing human health impacts from exposure to environmental contaminants : the potential
benefits of biomonitoring
Haywood, Jan Odano
[1996]

An assessment of environmental learning center visitor attitudes towards environmental
education
Kraft, Karin Fernbach
2004

An assessment of public involvement as it relates to the technology and risk assessment of the
transportation of spent reactor fuel
Franklin, James Daniel
[1992]

An assessment of selected sphagnum-dominated peatlands of King County, Washington and
their decline
Bell, Jeremy Moure
2002

An assessment of Washington State's pesticide incident review and tracking panel as a public
health surveillance system
Edwards, Pamela I
2002

Avian foraging responses to different habitat types and habitat manipulations at Gray's Lake
National Wildlife Refuge
Kapantais, Katina
2004

Avian mortality at communication towers : birds on a collision course with high-tech
Sellers, Kimberly A
2001

Bacteriophage therapy : a potential treatment for furunculosis in salmonids
Nation, Theresa K
[2003]

Balancing the impacts : strengthening the value and rationale of mitigation measures under the
National Environmental Policy Act
Wahbeh, Hibba
2004

The band-tailed pigeon : a case study of a declining species

Bogar, Janine E

[1994]

Benefit-cost analysis and forest ecosystems : the role of total economic value in managing for biodiversity

Olsen, Jeffrey T

[1994]

Benefits of urban gardens in theory and practice

Barkes, Alys

[1997]

Beyond theory : applying environmental interpretation in the U.S. national parks

McClelland, Shannon J

2002

The biodiversity of Lake Baikal : status, problems and solutions

Hayes, Cylvia

1999

Biodiversity protection policies under the Shoreline Management Act of 1971

Kazakov, Nikolai

2001

Biological Responses of Juvenile *Tridacna Maxima* (Mollusca: Bivalvia) to Increased pCO₂ and Ocean Acidification

Waters, Charley

2008

The biology and control of introduced *Spartina* (Cordgrass) worldwide and recommendations for its control in Washington

Aberle, Barbara L

[1993]

Bioregionalism : building a local sustainable culture

Jacobson, Joseph A

[1992]

Bioremediation of Contaminated Riparian Zones Using Mycorrhizal Fungi- An Exploration of the Feasibility of Restoration Through Mycoremediation.

Jones, Gary

2009

Biosolids and the problem with cadmium

Marshall, Joan L

[1997]

Black blood : the Coast Guard's role in the Exxon Valdez oil spill
Newman, Brion
[1993]

Blue Whale (*Baleanoptera musculus*) Ship Strike Threat Assessment in the Santa Barbara Channel.
Laggner, Daniel
2009

Bolivia community-based ecotourism development
Hunter, Janet Oakley
2002

The BOSCO project : an experiment in rain forest conservation and rural development on the Osa Peninsula of Costa Rica
Kurka, Karel, 1962-
1995

Breathe at your own risk : particulates, the Clean Air Act, and public health : an essay of distinction
O'Rourke, Victoria E
[1994]

Bridging barriers : the Northwest Renewable Resources Center, a study of the community circle
Isherwood, Kathleen Cecelia
[1997]

Bridging scientific research and public education : developing educational resources on the temperate rain forest canopy for grades 4th-12th
Neilson, Amber
2000

Bristol Bay and the Pebble Project: Red or Gold?
Cunningham, Kelly J
2008

Building a positive Christian environmental ethic
Ross, Lawrence Richard
1991

Bulkheads : misunderstood and mismanaged
Jensen, Carolyn Ann
[1992]

Bull trout : big beautiful fish in small pristine streams
Spalding, Shelley A
1994

Burrowing shrimp control in Willapa Bay : research needs and alternatives to chemical control
Campbell, Susan
[1992]

Business leadership in sustainable development : the role of environmental auditing to promote government-business-public partnerships
Yoshida, Shinya
2001

Campus and community : looking for common ground
Todd, Michael Andrew
[1995]

Carbon neutrality by 2020 The Evergreen State College's comprehensive greenhouse gas inventory
Pumilio, John F
2007

The Caribbean spiny lobster, *Panulirus argus*, enhancement of the fishery with oceanographic tools and spatial division of fishing grounds between cooperatives and sanctuaries
Branch, Harry W
[1994]

The Caribbean spiny lobster, *Panulirus argus*, enhancement of the fishery with oceanographic tools and spatial division of fishing grounds between cooperatives and sanctuaries
Branch, Harry W
[1994]

Cascade Pole cleanup : an independent perspective
Park, James,
[1990]

A case study of pesticide regulations : spartina management and Willapa Bay
Markert, Joanne Pearson
[1995]

A case study of the Bureau of Land Management's wilderness review in Oregon
Marti, Jeffrey J
1991

A case study of the Pennwalt Chemical Company national pollutant discharge elimination system permit : meeting state water quality standards for toxic pollutant control
Kent, Michael
1986

A case study of Timber-Fish-Wildlife forestry module negotiations : will TFW reach consensus on protection measures for salmon?

Rodgers, Charlene Adell
[1998]

Cellulose degradation by three strains of bacteria found in the gut of *Zootermopsis angusticollis*
Peterson, Shane
[1995]

Certified organic farming in Washington State : a feminist empiricist examination
Jamison, Rachael
2003

Challenges to managing adequate water supply for King County: the movement towards a tri-county solution
O'Rourke, Kelly
2000

Changing a river : the impacts of large dam development
Galuska, Tara
2000

Changing agriculture : from theory to practice
Holcomb, Collin
[1997]

Changing landscapes, changing perspectives : shifting patterns in an inhabited world
Story, Christopher
2000

Chemical innocence, an unconscionable assumption : a study of social institutions, scientific arguments and the chlorine controversy
Sivin, Darius D
[1994]

Chinese environmental thought : a cultural system, from Confucius to the Neo-Confucian eras
McCarthy, Teresa
[1994]

Chum salmon stream rehabilitation efforts at Fort Lewis, Washington
Holler, Patricia R
1990

Class analysis of water privatization : a case study of Cochabamba, Bolivia
Kyer, Krystal Lynn
2002

A classification of wildlife habitat for Thurston County
Helbrecht, Lynn
1987

The cleanup of the Duwamish Diagonal

Domres, Patrick

2005

Climate Change Implications for the Quileute and Hoh Tribes of Washington: A Multidisciplinary Approach to Assessing Climatic Disruptions to Coastal Indigenous Communities

Papiez, Chelsie

2009

Coastal wetland preservation : the implications of sea level rise and global warming

Bill, Margaret Niles

1990

Codling moth control in Washington State : emerging from the cocoon of Azinphos methyl to a combination of integrated pest management with narrow spectrum insecticides

Newton, Benjamin W

2006

Collaborative watershed management: Stakeholder participation and watershed partnership success.

Paulson, Melissa Newell

2007

Collaborative watershed restoration in Washington State : case studies of three national service and conservation projects

Winiarczyk, Ellen J

1998

Combining Post Occupancy Evaluation with the United States Green Building Council's Leadership in Energy and Environmental Design Rating System

Guyot, Lucienne

2009

Community-based pollution prevention strategies, a case study : environmental justice in

Salishan

Smith, Tyrus L

1997

Community Composition and Influence of Forest Structure on Birds in the Evergreen State College forest reserve

Rehm-Lorber, Jora

2009

A community gastrointestinal illness outbreak at Deep Lake : can current Thurston County recreational water quality standards prevent future outbreaks?

Cochran, L. Darrell

[1995]

Community response to residential contamination at the Bunker Hill superfund site
Cellarius, Barbara Ann
[1993]

Community right to know : a review and analysis of the superfund amendments and reauthorization act
Bhagwandin, H. Omroa
2000

A comparative analysis of wildlife area management plans : planning the management plan through an ecosystem framework
Wright, Russell E
2003

A Comparative Policy Analysis on Washington and Oregon management policies for zebra mussel infestations within the Columbia River Basin.
Cantin, Jesse Joseph Rutherford
2009

A comparison of Maryland and Virginia legislation regarding reduction of nutrient pollution in the Chesapeake Bay
Dutil, Nicole
2005

A comparison of Washington state forest practices regulations and the federal "Option 9" management plan for the protection of riparian and salmon habitat
Kagel, Susan
[1994]

Comparison study of the states of Washington and Oregon's total maximum daily load (TMDL) process
Tilley, Aleceia Marie
2007

Compliance at work
Benke, Janet Lonja
[1996]

Conservation : an important resource for meeting the electricity needs of the Pacific Northwest
Adler, Charles
2001

Conservation Easements on Mexican Ejidos: An alternative model for Indigenous Peoples
Harris, Susan L
2009

Conserved water in Washington state : a legislative proposal

Cushman, Leslie Ann
[1995]

Conserving Washington State's non-industrial private forestlands : identifying strategies that work

Hagan, John Francis
2002

The controversy over net-pen salmon farming in north Puget Sound

Keith, Robert E
[1992]

Cooperative environmental partnerships : case studies involving Washington tribes and local organizations

Lynett, Kristin S
2000

Cougar-human encounters : a search for the facts

Carnevali, Debbie D
1999

Creating a custom geographic information system application to view and assess Washington State forest practice applications

Miniken, Joan E
2005

Crown structure and spatial distribution of epiphytes on three height classes of western hemlock in an old-growth forest, Wind River, WA.

Lyons, Betsy
[1998]

A cultural landscape study of American college campuses and campus planning

Derr, E. Brooke
[1997]

The cultural role of music for social and environmental consciousness

Hinojosa, Frank D
[1995]

The cumulative effects of forest practices on forest hydrology

Towle, James H
1991

Cumulative effects of high density septic system areas on shallow ground water within the city of Olympia

Gravatt, Shawn L
2000

Curricular Connections Between Outdoor Environmental Education and Classrooms: A Camp Colman Case Study
Lindberg, Anne E.
2009

The daily newspaper and environmental journalism : a primer for environmental advocates and professionals
Wilkins, Dennis M

The decline of Columbia Basin wild salmon : hydropower related causes, failed remedies, and prospects for recovery
Catterson, David P
[1992]

The decline of the salmon fishing industry : the Willapa Bay and the Columbia River estuary
Wasberg, Jill Marie
[2003]

Deconstruction : salvaged building materials & sustainable building
Oberg, Andrew
[1998]

Defining potential human experience indicators and standards on the main stem and middle fork of the Salmon River in Idaho, summer, 1995
Hunger, Donald Hancock
[1996]

Description, analysis and impacts of the Grouse Creek landslide, Jefferson County, Washington, 1997-98
Serdar, Carol Frances
1999

Determining employee education needs through participatory methods : a case study of the sustainable city program, Olympia, Washington : an essay of distinction
Hoenig, Elizabeth A
[1995]

Deterring unauthorized entry onto Department of Natural Resources natural area preserves
Bucher, Kathleen Rae
[1993]

Developing a watershed theme based integrated science course for River Ridge High School : integrated science, rationality and reality
Gradoville, Connie Mack
[1995]

Development and evaluation of a benthic index of biotic integrity for western Washington rivers
Celedonia, Mark T

2004

Development of a workplace chemical ranking system to identify the chemicals most hazardous to workers in Washington

Drozdowsky, Sharon L

2000

The development of habitat conservation plans on commercial forests in the Pacific Northwest

Bradlee, William Russell

[1997]

A diagnostic study of Clear Lake, Thurston County, Washington with management recommendations

Swartout, Mark J

1989

Diet of common murre (Uria aalge) and rhinoceros auklets (Cerorhinca monocerata) in Puget Sound, Washington, in late summer and fall, 1993-1996

Wilson, Monique L

[1998]

The dilemma of federal unfunded mandates : the Safe Drinking Water Act

Wickham, Patricia Ryan

[1994]

Dispersed camping at Midway Meadows : implications for policy

Pattison, Patricia L

[1997]

Disturbance and recovery along the northern Washington coast and implications for management of the Olympic Coast National Marine Sanctuary

Questad, Barbara R

[1994]

The Dynamics and Viability of the Endangered Streaked Horned Lark (*Eremophila alpestris strigata*)

Schapaugh, Adam W.

2009

Early detection of insecticide resistance in mosquitoes

Sola, Milagros

2008

An ecological analysis of the introduced salt marsh grass, *Spartina patens*, on Cox Island Nature Preserve, Oregon

Levy, Sarah Louise

[1998]

Ecological and social transformation along the US-Mexico border, 1940-1990
Flores, :Hugo R
[1994]

The ecological impacts of coffee drying in Costa Rica : an ecological footprint comparison
Whitlow, Elizabeth
[2002]

Ecological principles for selecting optimal reserves for plant conservation : implications for conservation policy
Webster, Marvin Graham, Jr
[1993]

The ecological role of amphibians, possible causes for their decline, and recommendations for their conservation
Sato, Christina L
2000

The ecology of the cat flea, *Ctenocephalides felis felis*
Grigal, Mark J
[1994]

Economic and ecological elements of U.S. endangered species policy
Torrance, Richard J
1999

The economic and ecological implications of ecosystem management : the Cedar River Watershed : a case study
Diehl, Laurence A
[1998]

An ecophysiological investigation of Medusae in low dissolved oxygen
Rutherford, Ladd Douglas
2004

An ecoregional--watershed approach to water quality planning
Cooper, Gary Lee
1993

Ecosystem management in national parks : a case study of Mount Rainier National Park
Moran, Heather D
2006

Ecotourism, conservation, and human needs in Central America
Jatczak, Patricia Eileen
1991

Effect of winter storm on water quality and fish toxicity the Duwamish and Nisqually Rivers

Ubilava, Mariam
2007

The Effects of CO₂-induced acidification on the intertidal sea anemone *Anthopleura elegantissima* (Cnidaria:Anthozoa) and its algal symbiont *Symbiodinium muscatinei* (Dinomastigota: Dinophyceae)
Towanda, Trisha
2008

The effectiveness of a watershed council : the Nisqually River Council
Ariona
[1998]

The effectiveness of best management practices on decreasing sediment delivery from forest roads : a case study of Mima Creek
Mahan, Donelle
2003

The effectiveness of promoting recycling and other responsible environmental behavior through environmental education
Mills, Cammy
2004

Effectiveness of wetland protection in Thurston County, Washington
Ehlers, Paula Maureen
1991

The effects of forest fragmentation on the late-successional reserves in the Gifford Pinchot National Forest
Fisch, Lisa Aileen
2000

The effects of heavy metals from roadway runoff on natural freshwater wetland systems
Svinth, Barbara Lynn
[1994]

The effects of large woody debris placement on the spawning distribution and physical habitat of chum salmon (*Oncorhynchus keta*)
Rudolph, Jeff
2002

Effects of *Nanophyetus Salmincola* and pollution on juvenile coho survival with emphasis on a methodology to determine old from new metacercaria
Pratt, Cynthia R
[1995]

The effects of past forest management on salmonid habitat and the Forestry riparian easement program

Wood, Ricky L
2002

Effects of scour and fill on salmonid incubation habitat in Kennedy Creek, a low-gradient alluvial channel in Mason and Thurston Counties, Washington

Schuett-Hames, Dave
1996

Effects of tree shelters, fertilizer, and weed block on growth of Oregon white oak seedlings in Western Washington

Leonard, Lathrop Postlethwaite
2004

Effects of UV-B irradiation on phytoplankton in the Southern Ocean : a case for alarm?

Carr, Elizabeth M
2001

Elements of successful social forestry : case studies from Nepal and India

Clark, Kelvin
[1992]

Elusive solutions to water issues in Washington State

Nelson, Cynthia Gay
c1994

Enhancing our quality of life in the era of growth management

Olson, John R
c1995

Environmental dispute resolution : a case study of Steilacoom Lake

Paradise, Margaret Prather
[1997]

Environmental, economic and policy considerations of the net-pen salmon farming industry in Washington State

Hudson, Bobbi M
2005

Environmental education at the secondary level : theory and practice of developing environmentally responsible behaviors

Britt, Peggy
1990

Environmental education : improving student achievement

Bartosh, Oksana
2003

Environmental education in the restructured school

Wetzel, David John
1991

Environmental education in Washington state : past, present, and reform
Kennedy, Thomas, 1952-
[1993]

Environmental education : toward a critical paradigm
Oliver, Tracy Smith
[1994]

Environmental effects of the coffee crisis : a case study of land use and avian communities in
Agua Buena, Costa Rica
Rickert, Eve
2005

An environmental history of Grass Lake : patterns in ecology and human use
Davenport, Roberta V. L
[1991]

Environmental Impacts of Development Practices of the World Bank
Schweizer, Vanessa Jine
2007

The environmental impacts of developing urban density : a GIS analysis of the ecosystem
services provided by residential tree cover in Olympia, Washington
Bell, Ryan Poll
2000

Environmental management in state agencies : a description of the problem and
recommendations for improvement
Lougheed, Clint
1990

Environmental risks and war : media reporting
Cotton, Keith
2003

Environmental themes in children's literature : finding books for environmental education
Kim, Anna
2005

Equal protection under the law : environmental justice legislation & Washington State
Piazza, Millicent Mei-ling
[1994]

Escalating fines for repeat NPDES violations in Washington : its effect on deterring future
violations

Rechner, Michal J
2001

Evaluating the Sustainability, Tracking, Assessment, and Rating System (STARS) at The Evergreen State College.

Murphy, Kyle
2009

Evaluation of a method to determine presence of the Mazama pocket gopher, *Thomomys mazama*, and other fossorial mammals in the south Puget Sound, Washington based on the collection and identification of hair samples

Schmidt, Anna Noelle
2004

An evaluation of aviation fuel spill response preparedness at the Renton Municipal Airport in Renton, Washington

Stone, Robert P
[1994]

An evaluation of mineral carbonation as a method for sequestration of carbon dioxide

Rock, Robert
2007

Evaluation of research and monitoring methods for declining amphibians of the Pacific Northwest

Christensen, Anita M
2004

An evaluation of the use of the National Oceanographic and Atmospheric Administration's on-scene spill model as a trajectory analysis of *Spartina* seed dispersal in Puget Sound

Clark, Linda M
[1996]

An evaluation of the wetland monitoring program of the Washington State Department of Transportation

Savage, Meredith Seaman
[1994]

An evaluation of Thurston County's household hazardous waste education program

Lange, Bonnie
[1995]

Evaluation study of created riparian habitat at the Chief Joseph Dam project, Washington

Miller, Tina
[1992]

The evolution of electricity conservation within the industrial sector of the Pacific Northwest

Jaenicke, Thomas H

[1995]

An examination of the possible shape and conditions of commuter rail in Thurston County
Jarrett, R. Devin
2000

Examining the foundation for water transfers in Washington State
Moody, Lloyd
[1997]

The export of Alaskan crude oil : impacts to Washington State
Thomas, Megan C
[1996]

The extent of hatchery-origin fish among fall Chinook Salmon (*Onchorhynchus tshawytscha*)
observed in South Puget Sound Tributary Streams
Kennedy, Kevin
2008

Factors affecting changes in populations of lingcod (*Ophiodon elongatus*) in the San Juan Islands,
Washington
Dutton, Randall Joel
[1998]

Farmland Preservation in Thurston County
Fisher, Jeffrey
2009

The feasibility of poplars for phytoremediation of TCE contaminated groundwater a cost-
effective and natural alternative means of groundwater treatment
Longley, Kirsi
2007

Feeding Ecology of Southern Resident Killer Whales (*Orcinus orca*): Benthic Habitat and Spatial
Distribution
Lucas, Jeremy
2009

Federal superfund and the local community : when citizens disagree about benefits
Clagett, Ione A
[1995]

The fight for fish : social, economic, and ethical issues in managing marine mammal-fisheries
conflicts
Harper, Kimberley
1991

Financial assurance requirements for the closure of solid waste landfills : a comparative study

Peters, Douglas Lee
1986

Food and water : examining the link between food production and water scarcity
Eikenbery, Amy
2003

Forest regeneration in the Pacific Northwest : an environmental perspective
Clayton, Linda
[1995]

A framework for evaluating the effectiveness of urban land development strategies for
protecting salmon habitat
Springer, Charles W

From exclusion to inclusion : a new paradigm for a national biodiversity strategy
Menefee, Michael Dale
[1998]

The game's afoot : the dynamics of international conflict over salmon
Fraidenburg, Mike
1991

Gas Works Park, Seattle, WA : former industrial site to urban park
Van Dyne, Katy
2000

Global Climate Change, Habitat Fragmentation and the Lesser Long-Nosed Bat: What Next?
Healy, Megan
2007

Global strategy for energy generation technologies based on normalized land use and human
health data
Caudill, Neil
2004

Grappling with conservation goals that include subsistence practices of local people
Wierenga, Marlies
2000

The great Baikal Trail : perspectives on establishing a national trail network in Russia
Toukmatcheva, Anna
2004

The green crab invasion : a global perspective, with lessons from Washington State
Holmes, Debora R
2001

A Greenhouse Gas Inventory of the Washington State Attorney General's Office
Epstein, Jeremy
2009

Ground water contamination in the Upper Chehalis River Basin of Washington State : results from a voluntary, cooperative study
Thode, Robert J
2001

Growing hybrid poplar trees as an agricultural crop
Burdette, Kim
2000

Growth and survival of Oregon ash saplings (*Frazinus latifolia*) used for riparian corridor restoration on the Nisqually Basin prairie at Muck Creek, Fort Lewis, Washington : a comparative study of four planting treatments
Rocks, Janice Lynn Siders
2006

Growth rates and the definition of old-growth in forested wetlands of the Puget Sound region
Painter, Luke
2007

A guide to environmental benefits identification and measures for managers of hazardous waste sites using for elucidative purposes South Tacoma field, Tacoma, Washington
Twardowski, Mariusz
c1993

Guidelines and mitigation potential for gravel-pit wetland creation
Prange, Bonnie Baldwin
[1992]

Habitat and population characteristics of the freshwater mussel *Margaritifera falcata* in Nason Creek, Washington
Stock, Amy L
[1996]

Hands-on community environmental education : the case for an ethnobotanical trail and not-for-profit organization in Olympia, Washington
Alessio, Julie Marie
1999

The hazardous waste management system in Washington : an evaluation of the regulations, compliance monitoring and enforcement efforts, and public and private services
O'Neill, Hugh J
1990

Hazards from bank erosion and channel migration in the Nisqually River basin

Smith, Devin
[1997]

Historic preservation in Santa Cruz, California
Bradley, Sarah D
1994

A history of environmental education in the Olympia School District, grades K-5
Waugh, Glenn Curtis
1991

The history of wildland firefighting policies : the fires that shaped them
Taylor, Fiona A
2001

Homeowner's Handbook to Protecting Puget Sound Streams
Tangen, Jan
2008

The Hood Canal Watershed Project : a model for environmental education
Kinney, J. J. (Jeanne J.)
[1998]

How nutrients from Kennedy Creek chum salmon (*Oncorhynchus keta*) carcasses supplement the estuarine food web to benefit juvenile chum salmon
Thompson, Steven R
2001

Humanity, ecology, and technology : working towards a constructive environmental ethic
Wallis, Barry J
[1998]

The humble epistemology : an explorative essay on language use, postmodern philosophy, and the roots of environmental degradation
Parker, Jeffrey Thomas
[1994]

A hydrogeologic investigation of the Scatter Creek-Black River area, Southern Thurston County, Washington State
Sinclair, Kirk A
1992

Hydrologic response to the Pacific decadal oscillation and el nino-Southern oscillation, Puntledge River, Comox Valley, British Columbia
Runnells, Joanna L
2005

Hypoxia in Hood Canal using modern science and traditional ecological knowledge to enhance our understanding of a degraded ecosystem

Cary, Brian S. (Brian Scott)

2007

The image of nature in magazine advertisements

Farinelli, Xavier Henri

[1996]

Imagining holistic environmental education : knowing ourselves and our world as one

Gelb, Richard

[1992]

The impact of Edward Abbey on post-modern environmentalism : current trends

Bobick, Andrew J

[2003]

The impact of the Food Quality Protection Act of 1996 on Washington apple growers

McLain, Kelly

2004

The impact of the George A. Adams hatchery on coho salmon populations in the Skokomish River

Peck, Gordon Lindsey

1991

The impacts of compact development patterns on the environment

Tabbutt, Veena

2001

Impacts of piscivorous predation on juvenile chinook (*Oncorhynchus tshawytscha*) and other salmonids in Salmon and Shilshole Bays of Puget Sound, King Co. WA

Footen, Brian

2001

Impacts of piscivorous predation on juvenile chinook (*Oncorhynchus tshawytscha*) and other salmonids in Salmon and Shilshole Bays of Puget Sound, King CO. WA

Footen, Brian

2001

Impacts of powerline rights-of-way on forested stream habitat in western Washington

Gleason, Nancy Claire

2004

Implementing a social marketing campaign to reduce vehicle idling in Seattle

Jordan, Lynne

2004

Implementing general NPDES permits
Dorigan, Lee M
[1992]

The implications for forest management of the introduction of anadromous fish into the White Salmon River in southwest Washington
Stern, Virginia Anne
1988

The importance of identifying and taking precautionary measures on persistent bioaccumulative toxic chemicals
Svetkovich, Christine M
2000

The importance of planning greenways in Washington State
