

First Peoples' Advising Services Quickity quick summer newsletter:

Hi folks, I hope you are having fun wherever you are this summer. We just wanted to take a quick second to send you some dates for the upcoming year. Fall is fast arriving, but you still have time to enjoy your summer (Just between you and me I miss the rain). Just in case you are the "Save the Date" type of planner: here are some dates for you to put on your radar for next school year:

Dates in September:

13th Annual Scholars Program:

Some of you have already said you wanted to volunteer this week to help greet our brand new students, and all of you are invited to our Friday potluck dinner on September 18th but you must RSVP to us by August 14th.

Orientation week activities:

So many events happening this week to greet the new students: When you get a chance to look at the Orientation schedule (it will be posted soon) definitely try to go to as many events as you can. We will send out an update as soon as we can, but it looks like we are going to have amazing events this week for you to attend. Exact dates have not yet been released but the schedule will generally look like last years schedule with a few changes.
