

Policy Approval Form

Executive Summary: Food Events Policy

The purpose of this policy is twofold. First, it is to educate the campus on safe food handling procedures and Thurston County Health Dept regulations. Secondly, it's purpose is to inform the community of our contract with Bon Appetit and their exclusive right to provide food services on the Olympia campus, with exceptions.

Ann Daley assigned the project to me. I worked with Robyn Herring, Patti Zimmerman and Becky Kjer to write the initial draft. The proposed policy was then shared with Jennifer Hall, Phyllis Lane, Tom Mercado and other Student Activities staff, Joye Hardiman and all faculty. The Student Activities staff shared the draft with several students.

The proposal was re-written after discussions with most of those listed above, including several students.
