*The Green plan is the only plan that has a set amount of block meals per week. These blocks expire each week on Sunday evening.

- The Meal Plan requirement is for the entire academic year for all first year students living in Residential and Dining Services who have 40 or fewer credits at the time they move onto campus.
- Meal plans will be billed to your student account before the beginning of each quarter, Fall, Winter, and Spring. Payment is due by the Wednesday before the first day of each quarter or within one week if signing up after the tuition due date.
- Meal plans are automatically activated at the start of each quarter during the academic year. If you change or cancel your plan, there is a pro-rated board meal cost charged to your student account for the days the plan was active, whether used or not.
- You may change your meal plan to another qualified plan the first two weeks of each quarter. You can do this once a quarter. Additional meal plan changes will result in a \$40 administrative fee. Changes and cancellations are processed weekly, on Wednesday mornings. You should continue to use your current meal plan until the day the change/cancellation will take place. No refunds or cancellations will be made the last 30 days of each quarter.
- If you officially check out of the residence halls due to a withdrawal, leave of absence, or are exempted from your meal plan through the petition process, your Meal Plan will automatically be cancelled. Failure to properly check out of the residence halls will result in additional charges.
- Block meals can only be used in the Greenery. DB dollars can be used at any venue.
- Meal Plan DB's (not add on DB's) expire at the close of business on the last Thursday of the break period following the quarter in which they were issued. Meal plan DB's will not carry forward to the next quarter. You can add DB Dollars to your meal plan at any time during your contract in the Cashier's Office or make a web payment and email studentaccounts@evergreen.edu for the DB dollars to be added to your account. Add-on DB carry forward from quarter to quarter but will expire at the end of the academic year June 11, 2010.
- Block Meals included with the meal plan expire 2:00 pm the Friday of evaluation week each quarter.
- There is a \$25 fee for replacing lost Meal Cards for all plan participants.
