Resident Assistant Applicant Reference Form

Name of Applicant: _____

Printed Name of Reference: _____

Position or Title _____ Phone #: _____

Signature of Reference: _____ Date: _____

The principal goal of the Resident Assistant (RA) position is to assist in building a healthy residential community. We define a healthy community as an environment which fosters healthy lifestyle choices by its members, respect for individual values and beliefs, a sense of belonging, and a focus on academic success. The RA will accomplish these goals through community programming, administrative duties (including paperwork and meetings), On-Duty responsibilities (including crisis response and conflict management), and working with others in the department.

Given your knowledge of the applicant's strengths and weaknesses, please speak to their ability to perform in this position
