× = Cannot test significance due to cell size

Percent of 2015-17 Student Experience Survey respondents who indicated they had used resources in the past academic year.

On the Evergreen Student Experience Survey students were asked if they have used a list of services during the past academic year. The responses from the last two Student Experience Surveys (2015 and 2017) have been combined to provide a more robust sample of students.

The following services were new to the Evergreen Student Experience Survey in 2017.

Significance was not tested for race due to small population.
