*Retention and Graduation data (AW only) updated as of 05/01/13.

Note: Fall 2010 was the first year in which the dual degree program followed established protocol to admit a new student to the program; thus there are no "new" admits to track for retention or time to degree for any earlier years of the programs. See below for total degrees awarded to all MEA students in the program regardless of whether or not they were ever admitted to the program.
