## Annual Fall Planning Meeting

About 100 colleagues gathered at [Great Wolf Lodge](#) on September 11. We had the opportunity to meet new staff; recognize colleagues for their length of service; hear award winning vocalist, Sergeant Tim Marron, sing; enjoy a buffet breakfast; and give away “stuff” to lucky door prize winners. The agenda included an introduction to some assessment data from [Institutional Research](#) and [Students Affairs'](#) departments and a review of last years goals partnered with discussion of the division's goals for 2008-09. In addition to helpful

constructive feedback, colleagues shared appreciation for the meeting as well:

*“This was the best of the SA retreats I have attended. Good program – moved along well. Good dialogue.”*

*“Like having the opportunity to interact with people I don't usually get the time to see or get to meet.”*

*“Nice setting at Great Wolf Lodge – no smoking environment was great! Great group of colleagues.”*

Stay tuned for the next division meeting.
