

## Questions for Peer Review

What is your favorite part of the paper?

Did you learn new things from the paper?

What do you feel the paper's thesis is?

Where could the author expand? Or were there any ideas you wanted to know more about?

Does the author fully support his or her thesis?

Does the organization seem logical?

Do any parts have an unclear connection to the rest of the essay?

Do all of the paragraphs have topic sentences? (Indicate on the paper which do not.)

Were there any sections that could benefit from adding more evidence?

What was unclear? Confusing?

What other comments would you like to make about the essay?
