\*Current TRIO Federal Student Support Services eligibility definition: student has documented disability in Banner, is federal low income (FAFSA), and/or is first-generation per application data or FAFSA. K.E.Y. Student Services is a federally funded TRIO student support service at Evergreen. WATEP was the Washington State TRIO expansion program for which Evergreen was allocated dedicated funds for two years 2007-09 biennium contingent on serving 250 additional TRIO eligible students (not served by the existing federal program) for whom retention must exceed 80%. Evergreen's allocation was discontinued with the biennial budget of 09-11; however, Evergreen continued to fund the Institutional TRIO expansion program.
