Subject: Welcome to Your Geoduck Student Union

Get involved in your campus community. Find ways to use your voice and advocate for student needs. Learn how to be a leader and work together to shape the future.

Dear Geoduck students:

Welcome to the Academic year 2021-22. We hope that you have had the chance to settle into your groove here at Evergreen and that your classes are going great!

We are writing to you today to let you know how to get involved in the campus community conversation and have your voice heard through student governance.

First things first: We'd like to introduce ourselves!

We are the Geoduck Student Union Representative Board.

We were given authority in 2009 by the Board of Trustees (website) to be the representative voice of students to the administration and to the state of Washington to advocate on your behalf. As representatives, we take this responsibility seriously. Today, we wish to communicate the ways in which you can get involved to let us know what you, the student, needs and wants.

- Please join us every Wednesday for our open meeting at 3-4p via Zoom. The agenda, link, and info regarding your opportunity for you to participate in the public comment part of the meeting will be [posted online](#).
- Feel free to [email us](#) anytime
- Join our [Discord Server](#)
- Find us on our [Facebook Page](#) and [COVID support group](#) for online discussion.
- Keep up with us on Instagram at @gsu.evergreen

Our first order of business is to create the legislative agenda that your legislative team will bring to state representatives. We are holding an open session via Zoom during Governance Hours on November 10, 2021 and will be live polling for your input. Keep an eye out for an additional email that will arrive shortly.

Also, a survey will be sent out via your my.evergreen.edu account. Please take the time to fill this out for the benefit of your college experience.

With gratitude and welcome for a most amazing academic year,

Your GSU Representative Board
