Subject: Reminder: Tree lighting event tomorrow!

A friendly reminder: Join us tomorrow for the tree lighting!

Join us for community and connection

Students, staff and faculty are invited to gather for the first time since 2019 for this festive event. The Tree Lighting is all about bringing light to campus as we approach the darker months and keeping our spirits high as we persist forward in the academic year. The evening will include live musical entertainment, hot cocoa, and cider! In the event of inclement weather, the ceremony will be held under the library awning. Learn more below including health and safety protocols.

Event Health and Safety

With guidance from the state and CDC, and in alignment with Evergreen's campus operations, we'll be following the protocols below in an effort to create a safe and comfortable environment for event attendees. Thanks for your help in keeping our community safe!

About Our Event Space

The event will be hosted outdoors on Red Square and offer abundant space for attendees to interact with each other. Check local weather reports so you can dress comfortably.
