

## The Evergreen State College

### STUDENT HOUSING TEMPORARY DOUBLE LICENSE AGREEMENT ADDENDUM 2022-2023 ACADEMIC YEAR

#### Addendum Provisions for Double Rooms

Due to a waitlist for campus housing, most single bedrooms in the Modular apartments (Mods) have been converted into double rooms. The apartments have two bathrooms and a shared kitchen and living space.

The kitchen has one refrigerator and one stove. Students living in the Mods should consider signing up for at least the Weekly 10 meal plan and are encouraged to eat meals on campus.

#### 1. Reduced Occupancy for Double Rooms

- A. If a resident's roommate leaves the double room, the remaining resident may be assigned a new roommate.
- B. If a resident does not maintain the room in such a way that a new resident roommate can move in, the resident may be charged the full amount of an apartment single room.
- C. After week 5 of each quarter, if a roommate is not moved into the apartment, the extra furniture will be removed if requested and the room will convert to an apartment single room.
  - i. If the double room is converted back into a single room, the resident will be charged the per diem rate for an apartment single room.

#### 2. Double Room Rental Rates
