

Veterans Tuition Waiver Application

To be eligible for the Veteran Tuition Waiver, you must meet the following Criteria: You must be a Washington domiciliary, (RCW 28B.15.013), who was an active or reserve member of the Unites States Military, naval forces, or a national guard member called to active duty, who served in active federal service under, (either Title 10 or title 32 of the United States Code), in war or conflict fought on foreign soil or international waters or in another location in support of those serving on foreign soil or in international waters and if discharged from service have received an honorable discharge, (RCW 28B.15.621). The actual percentage of waiver is dependent upon various factors such as the percentage of benefit you receive, the cost of tuition and fees, scholarships you may have etc. It varies between 30% and 50% but will reduce the amount you owe the college.

You must meet the above criteria to qualify for the waiver; please be aware that this waiver cannot be used for additional Prior Learning from Experience (PLE) Document credits beyond enrollment in required courses taken in advance of writing this document.

Priority will be given to: Applicants who are pursuing their first bachelor's degree and who have earned less than 180 credits. This is not to say that you can not apply for this waiver if you do not meet the previous criteria.
