A Fee and Rate Categories

TUITION AND MANDATORY STUDENT FEES

In addition to regular academic year tuition, which includes the Capital Building fee, the Operating fee, and the Service and Activity fee, the Evergreen State College charges the following mandatory fees to enrolled students:

CAB Renovation Fee: \$5.75 per credit (Max \$115.00 per quarter)

Beginning Fall Quarter 2006, students enrolled at the Olympia campus are charged a mandatory fee on a per credit basis up to 20 credits. Fees collected help fund the approved College Activities Building (CAB) redesign project.

Clean Energy Fee: \$2.00 per credit (Max \$40.00 per quarter)

The Evergreen State College students voted to have a mandatory Clean Energy fee assessed on a per credit basis up to 20 credits each quarter to offset the electricity that The Evergreen State College uses with the purchase of clean renewable energy.

Student Wellness Fee: \$184.00

This fee supports Student Wellness Services on campus and is not health insurance. It is a mandatory fee for students attending the Olympia campus who are registered for four (4) or more undergraduate or graduate credits. The Student Wellness Services office is closed during summer; no fees are charged during the summer quarters.

Recreation Fee: \$4.16 per credit (Max \$83.20 per quarter)

The Evergreen State College students voted to help fund Recreation and Athletics through a mandatory per credit fee beginning Fall Quarter 2025 for students enrolled at the Olympia campus.

OPTIONAL FEES

The Evergreen State College charges the following optional fees to enrolled students. These fees can be waived by completing a waiver form.

WashPig Fee: \$8.00 per quarter

The Washington Public Interest Research Group is a nonprofit, politically unaligned corporation directed to students. Evergreen students have voted to support this organization via automatic billing. An \$8.00 charge is added on the student account each quarter along with tuition and fees.

GSU Fee: 2.25 per credit (Max \$45.00 per quarter)

The Geoduck Student Union fee supports the annual operations of the student union. A \$2.25 charge per credit is added on the student account each quarter along with tuition and fees.

SPECIAL CLASS/COURSE FEES (variable – refer to Academic Catalog course descriptions)

Academic Student Fees are governed under RCW 28B.15.031 and must support credit-generating academic coursework. Special class/course fees cannot be used for consumable materials that are used by the entire program and are limited to those that provide:

- tools, equipment, or products that have continuing value to the student (e.g. art material for a project retained by the student following the course)
- a pooled purchase of services the institution does not normally provide (e.g. a block of theater tickets at a group discount, where each student would otherwise be expected to buy an individual ticket or meals on a retreat or field trip)
- for overnight field trip expenses
- for study abroad expenses
- overhead expenses for managing the Academic Student Fee program

SERVICE FEES

A fee charged to students, staff and/or the public to cover the cost of providing goods or services. The rate of the fee is directly related to the cost of services or goods provided by the college, including Admissions, Children's center, Copy center, Student Wellness Services center, Housing and Dining, Key Issues, Lab Store, Library, Media Loans, Parking and Transportation, Student Accounts and Cashiers and Others.
