Endorsement Worksheet Instructions

All MiT applicants must demonstrate sufficient undergraduate coursework to receive a Content Area Endorsement. This form is a requirement of your MiT application and must be completed in addition to your State Endorsement test results.

For assistance filling out your Endorsement Worksheet, contact MiT Staff at mit@evergreen.edu or (360) 867-6639.

Filling Out Your Endorsement Worksheet

Using a copy of your official or unofficial college transcripts, fill in the details for each requirement. All credits listed must be college level (100 or above) to be eligible toward your endorsement area.

You may include offerings you plan to take in the future. All credits must be completed before you start the MiT program.

Relevant work experience and other opportunities may be used to fulfill your requirements. Be sure to explain these experiences and how they meet the requirement in your Endorsement Essay.

Evergreen Applicants
