- Closure of the MiT program
- Dissatisfied with the corrupt administration and the lack of funding and care for the arts (at a liberal arts school, no less), the total disregard for students' needs and opinions, the staggering incompetence of the deans. I graduate this quarter, but I wouldn't recommend TESC to anyone until this stops.
- I don't believe in degrees
- if I can finish, I will. But will likely run out of financial aid.
- More art options please specifically dance
- Not enough career opportunities and skill sets
- Unsure if wanting to change focus to area that isn't really offered here
- WUE is not available for continuing students.
- You killed the performing arts.
