

Do you plan to focus on a particular field or fields of study at Evergreen?

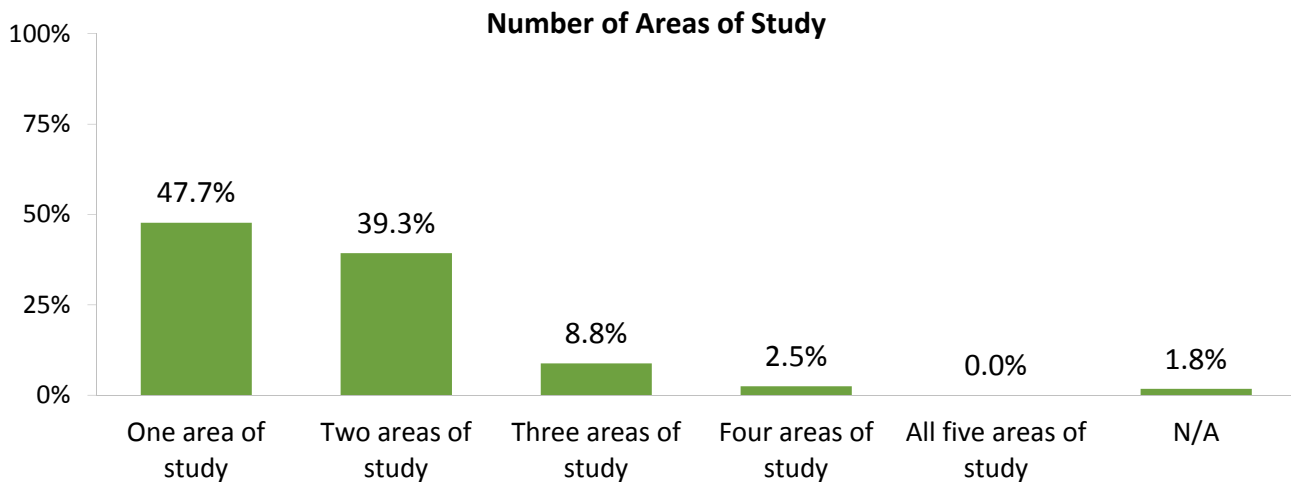

Transfer students were asked if they planned to focus on a particular field of study; 82% plan to focus on a field or fields of study, 7% plan to study a range of fields, and 10% do not know.

	<i>Transfer</i>	
	%	N
Yes, I plan to focus on a field or fields of study.	82.4%	285
No, I plan to study a range of fields without a particular focus.	7.2%	25
I don't know.	10.4%	36

Number of Areas of Study

The students who plan to focus on a field or fields of study were asked to describe their focus. These open ended responses were categorized and are presented below. 48% of Transfer respondents indicated they will concentrate on one area of study, while 39% indicated two areas of study, 9% three areas of study, and 4% four areas of study. There were no students who plan to concentrate in all five areas of study. 2% of Transfer respondents did not give any further information about the area of study on which they intended to focus.

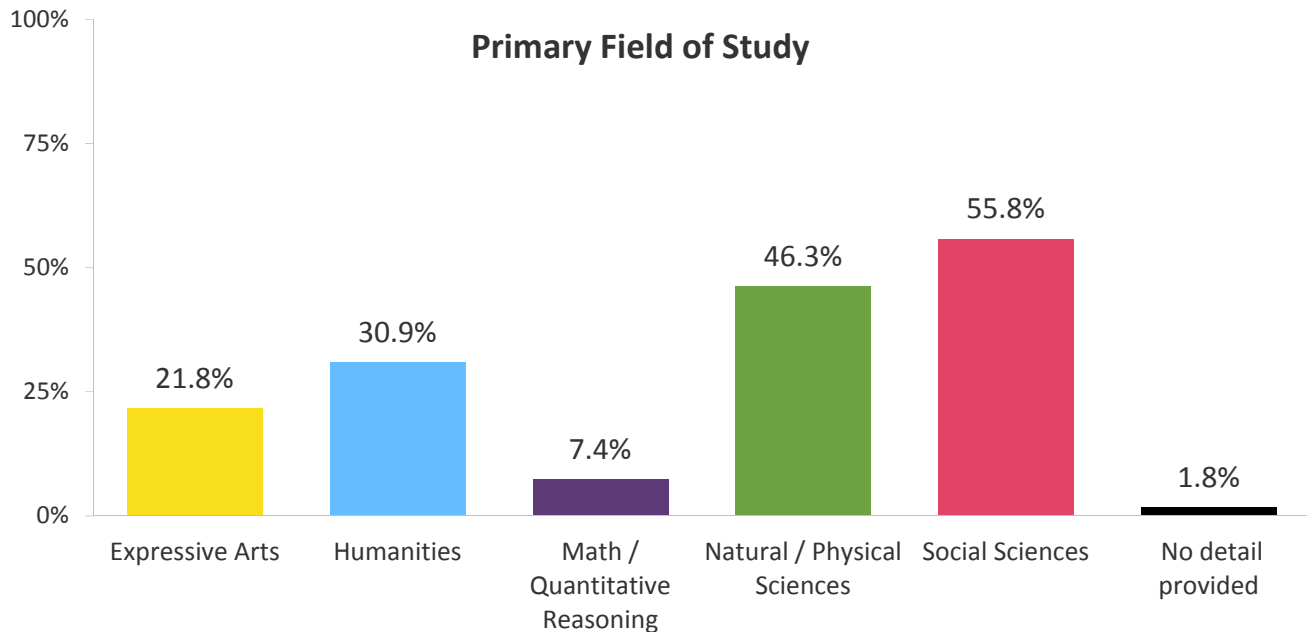

Describe your primary field(s) of study or concentration at Evergreen?

Students were asked to describe their primary field or fields of study at Evergreen. 22% plan to study Expressive Arts, 31% Humanities, 7% Math/ Quantitative Reasoning, 46% Natural/Physical Sciences, 56% Social Sciences, and 2% provided no detail. Students are allowed to choose more than one field, so the categories will not sum to 100%.

Transfer Respondents

Primary area of study by field of study*	%	N
Expressive Arts	21.8%	62
Humanities	30.9%	88
Math / Quantitative Reasoning	7.4%	21
Natural / Physical Sciences	46.3%	132
Social Sciences	55.8%	159
No detail provided	1.8%	5

*categories are not mutually exclusive

 Environmental Science, Ecology, Oceanography
 Environmental Sciences with focus toward Aquatic Habitat Biology
 Forensic/Biological Anthropology
 Forest Ecology, Mycology, Enviro Science
 Geology
 Health, Biology, Pre-Medicine
 I would like to study Ecology/Biology for the next 5 years.
 Marine Science
 Most interested in Botany, but open to Environmental Science/Scology.
 Most likely anything to do with Natural or Environmental Sciences.
 Natural Sciences
 Natural Sciences and Biology
 Pediatric Medicine
 Science- Premed [2]
 Sustainable Agriculture and Local Food
 Wildlife Biology, Zoology, Human/wildlife interaction, Ecology
 Zoology
 Zoology with Marine Biology focus
 Zoology/Animal Behaviors

Social Sciences

Anthropology

Business [4]

Business Administration

Community Studies

Community Studies, Sociology [2]

Cultural Studies/Anthropology: Coastal and Marine focused

Economics

Education [4]

Education - Elementary Education

Evolutionary Psychology (Anthropology/Psychology)

Human Resource, Sociology

I intended on taking business classes but there isn't much offered this year.

I plan to apply for Evergreen's Masters in Education program when I complete my bachelors degree. The field of study I plan to focus on for my Bachelors degree is Elementary Education which in itself will include many fields of study.

Law & Public Policy

Political Economy

Political Economy/Economics

Political Science, International Relations

Psychology [7]

Psychology and Sociology

Public Administration

Social Work

Social Work & Psychology

Sociology [3]

Sociology and Education

Sociology and Public Policy

The primary field I plan to focus on has to deal with Law Enforcement/Juvenile Justice.

Primary Area of Study: two divisions of emphasis

 **Art and Humanities**

Film--Literature--Animation/3D Design--Creative Writing

Focus in Performance Art and dance-based Theatre, minor attention on Writing

History, Indigenous Studies, Studio Art

History, Theater, and Photography are my general areas of interest. That's all I know right now!

I would like to study Art and English along with Photography.

Irish Studies/Writing/Photography

Music, Women's and Gender Studies

Photography, Writing

 **Art and Science**

Environmental Science and Art

Environmental Science and Creative Arts

Marine Science, Illustration, Theater/Film Arts

 **Art and Social Sciences**

Art & Psychology

Art, Sociology

Business, Theater

Digital Media

Ethnomusicology and Cultural Anthropology

Film and Psychology

I plan to focus on Politics and Media.

Media

Media Studies. I hope to be admitted into the Mediaworks program.

My primary fields of study are in Visual Arts and Business.

Psychology and Dance

Visual Arts, Education, Sociology

Visual Arts, Media Studies [2]

 **Humanities and Math**

Computer Science and Russian

 **Humanities and Sciences**

A mix of Agriculture, Botany, and Ecology. I'm also studying Japanese.

Ecology and Native American Studies

Environmental Science and French

Environmental Science and Journalism

I plan to focus on Agriculture, Biology, and would be interested in some Native American Studies. I am also interested in animal studies specifically as well because I would like to have animals and understand their physical and emotional needs.

Marine Science/Environmental Science/Foreign Language

Philosophy and Environmental Science

Humanities and Social Sciences

Communications

Communications and Business

Communications, Marketing, and Digital Media

Communications, Sociology, Business/HR

Creative Writing as well as Business

Economics, Linguistics, Gender Studies

Education to Multicultural Communities

Gender Studies/Cultural Studies, Political Economies

History or Anthropology

I am currently deciding between a focus in Creative Writing or in the theory of Education with a specialization on increasing completion rates for Native American peoples.

I am interested in studying Foreign Language, specifically Spanish, and Social Work.

I plan on focusing my course choice towards an English degree at the Bachelors level. Both Composition and Literature, in order to work towards getting a Masters in Teaching.

I plan on focusing on English so that I may teach high school level English.

I wanted to do Philosophy and Sports Management.

I would like to study Psychology, Social Work, and Poetry as a form of therapy.

Literature, Russian, Education

Philosophy and Education

Philosophy, Literature, and Psychology

Psychology, Communications, Politics

Psychology, Languages, and anything that could help in getting a Masters in Social Work.

Psychology, Political Science, Culture(s)

Social Justice, Women and Gender Studies, Culture, Community Studies

Social Justice, Women's and Gender Studies

Social Work, Gender Studies

South Asian Studies, Education, non-profit work

Teaching and Philosophy

US History, Criminal Justice

Writing & Business

Writing and Literature with focus to move on to a Masters in Teaching.

Writing, Composition, Rhetoric, English, Education

Writing, Counseling, Psychology

Math and Sciences

Chemistry, Physics, Math

Chemistry, Physics, Mathematics, Engineering, Computer Science

Math/Physics

Physics, Math

Math and Social Sciences

Computer Programming and International Studies

Sciences and Social Sciences

Agriculture/Psychology

Biology, Management

Botany and Environmental Studies

Ecological design/Permaculture design--finding ways to integrate/apply ecological principles to human systems so as to create more sustainable and/or regenerative human systems.

Education and Science

Education, mainly High School Science, Chem, Bio, and Physics

Environmental Science, Ecology, Sustainability

Environmental Science/Sustainability

Environmental Studies

Environmental Studies and Sustainable Science

Environmental Studies, Business (I'm interested in Agrotourism), Agriculture, Organic

Environmental Studies, Education, Politics

Environmental Studies, Forestry, Botany

Environmental Studies, Marine Biology, Zoology

Environmental Studies, Natural Resources, Social Justice

Environmental Studies, Teaching

Environmental Studies, Water Management

Environmental Studies/ Environmental Justice

Environmental Studies/Ecology

Geography/Human dimensions in natural resources/Conservation

Global food systems and Business

I plan to focus on Environmental Studies, including Sustainable Agriculture, as well as Teaching and Early Education.

I plan to focus on the field of Zoology with a secondary field of Environmental Studies.

I want to focus my studies on Environmental Science, Business, and Biology and Life Sciences.

I would like to achieve an MES degree.

My concentration is Geology, within Environmental Studies.

My three main focuses are Anthropology, Evolutionary Biology, and International Relations.

Political Ecology/Environmental Studies

Psychology, Sociology, addiction treatment

Public Policy, Environment, Sustainability

Science and Education

Still deciding between Environmental Science and Psychology

Sustainability

Wildlife Ecology and Conservation Sciences

Zoology and Psychology

Primary Area of Study: three divisions of emphasis

Art, Humanities, and Math

Art, Writing, Math, Drama

Art, Humanities, and Science

Marine Biology, Botany, Natural Sciences, Fine Arts, Humanities

Natural Science, Humanities, the Arts

Art, Humanities, and Social Science

Art, Mediaworks, Journalism, Visual Design

Business & Communications Audio Engineering

Humanities, Arts, Business, Communication and Human Resources

Journalism/Communication Studies

Media Studies and Woman's Studies

Music, Philosophy, Psychology, Visual Art

Photography and how it relates or can be used for gender/queerness, Social Justice.

Psychology, Philosophy, Music

Arts, Math, and Science

Computer Science with a focus in Media Production (ie music or graphic design)

Arts, Sciences, and Social Sciences

Art, Environmental Studies

Environmental Design/Visual Arts

Environmental Studies and Art

Environmental Studies, Dance, Education

Humanities, Sciences, and Social Sciences

Education, environmental science, and humanities

Environmental Studies and preservation, particularly in Latin America.

Field Studies, Women and Gender studies, Ethnic Studies, Environmental Studies

I plan to focus on Consciousness Studies, transpersonal counseling, Psychology, Wilderness Therapy, and Ecopsychology.

I want to focus on Public Health and Communications.

Psychology, Consciousness Studies

Soc Sci- Psychology, Anthropology, Consciousness Studies

Writing and Consciousness Studies

Math, Sciences, Social Sciences

Business, Sustainability, Community, Computer Design. I'm also interested in fungi and Biodiversity. I'll likely take a few courses in that direction also.

Primary Area of Study: four divisions of emphasis

 **Art, Humanities, Science, and Social Science**

Community Studies, Dance, Music, Psychology, Somatic Studies, Pilates, Yoga, Consciousness Studies, Performance Studies, Creative Writing, Film Studies, Performing Arts

Environmental Photojournalism (Environmental Studies and Creative Writing/Journalism and Photography)

Social/Humanities Studies, English, Literature and Writing, Natural and Environmental Science, Communications and Theater Production.

Theatre Arts, Dance, Somatic Studies

 **Arts, Math, Science and Social Science**

Architecture, Community Studies

Organic Farming, Sustainability, Architecture

Sustainable Design and Architecture
