

This year, I had at least one faculty member who...

Students were asked if, in the last year, they had at least one faculty member do the following things. The largest percentage of students responded that they had a faculty member who seemed genuinely interested in helping (89%), asked good questions (87%), or helped clarify their academic strengths (85%). The smallest percentage (under 50%) of students said they had a faculty member who provided feedback on their academic statement (43%), referred them to a non-academic resource (42%), helped translate their Evergreen work (41%), or provided a lead to support their goals after Evergreen (38%).

Legend for Mini Charts
