**This year, I had at least one faculty member who...**

Students were asked if, in the last year, they had at least one faculty member do the following things. The largest percentage of students responded that they had a faculty member who asked good questions (96%), or seemed genuinely interested in helping (92%). The smallest percentage (50%) of students said they had a faculty member help them identify credits, coursework, and/or academic experiences needed to meet goals, and provide a lead, referral, or an introduction to create a relationship or located a resource for life after Evergreen.
