Comments from First-time, First-year students:

A bachelor in General sciences, ideally

I am very excited to work towards my degree at evergreen

If the schooling fits!

I'm currently undecided but I may also pursue the masters in public administration.

Maybe Higher

Stoked!

Comments from Transfer students:

They have an excellent Teaching program with excellent professors as well.

Finding the right degree, then the right program

Evergreen is the only choice for me. The pedagogical approach is astounding and its structure reflects the way I digest information.

Bachelor's of Science
