

Full-time, First-time, First-year Baccalaureate Degree-seeking Students Enrolled Fall Quarter

Cohorts are tracked from their entry fall to each subsequent fall quarter. Students who have graduated prior to a fall checkpoint are displayed as "graduated," and students who are persisting in their enrollment toward a degree are displayed as "continued." If a student leaves the college, but returns in a later year, the analysis picks them up as continuing upon their return. Cohorts are not adjusted for students who transfer from Evergreen to complete degrees elsewhere. No transfer students are included. Cohorts include only first-year students who enroll full-time in their first quarter and who have not attended college anywhere else since high school completion.

**Notes:**  
**Race/Ethnicity:** Coding changed substantially with cohort 2010. Hispanic students of any race are now included in Hispanic/Latino. Non-hispanic multi-racial students are moved into their own separate group, and thus numbers in other individual race categories are decreased. Pacific Islander/Native Hawaiian Non-hispanic students are analyzed as a separate group, whereas they were previously included with Asian/Pacific Islander; however, they are not presented in the web version as cohort size is often less than 10 students. Beginning with cohort 2010, Asian, Non-Hispanic no longer includes Pacific Islander/Native Hawaiians.

**Notes:**  
**Any Pell:** student received Pell grant at any point while at Evergreen. This matches the (former) HECB/OFM Accountability framework definition requirements, but it also means that cohort sizes will change for this group and the No Pell group each year that data is updated. Some students who do not receive Pell grant support in their first year will receive Pell grant later in their time at Evergreen, and thus would move out of the No Pell cohort into the Any Pell cohort.

**Notes:**  
**TRIO Federal Student Services Program categories:**  
**First Generation:** Neither the student's mother or father completed a four-year college degree, as indicated by the student at time of application to Evergreen OR per FAFSA data in first fall quarter (available beginning with cohort 2001).  
**Disability Documented:** Student has reported a disability to Evergreen which is documented (exclude 0 codes) in Banner student tracking system in their cohort fall quarter.  
**No Disability:** Student not known by the college to have a disability in their cohort fall quarter.  
**Below Poverty:** student below federal poverty level in first fall quarter per FAFSA (available beginning fall 2001). **Not Below Poverty:** student not known to be below federal poverty level in first fall quarter per FAFSA or no FAFSA completed (available beginning fall 2001). **Federal Low Income:** student is at or below 150% of federal poverty level in first fall quarter per FAFSA (available beginning fall 2010).  
**SSS Eligible-KEY:** Student is first-generation, has documented disability, or was (federal low income or below poverty) in cohort year, and has received TRIO/KEY Program services.  
**SSS Eligible-No KEY:** Student is first-generation, has documented disability, or was (federal low income or below poverty) in cohort year, but has **NOT** received TRIO/KEY Services.  
**Not Eligible:** Student not known to be first generation, have documented disability, and is (not federal low income and not below poverty) in cohort year; thus, would not be eligible for federal TRIO Student Support Services (a.k.a. KEY program).  
**NOTE:** students can move from SSS Eligible-NOKEY into the SSS Eligible-KEY cohort if they connect with services after their first year; thus, these two cohorts can change over time.
