

Residential and Dining Services

Residential and Dining Services On-Campus Meal Plan Agreement 2019-2020

Requirements for Meal Plans

All students living on campus are required to purchase a meal plan. The Meal Plan requirement is for the entire academic year and is based on where a student lives. Students who are new to housing and living in the Residence Halls may choose from the Weekly 10, Weekly 15, Flex, or All Access meal plans. Returning residents living in the Residence halls may also choose the RAD Reward plan. Students living in the apartments may choose any meal plan. Meal plans will be billed to the student account before the beginning of each quarter, Fall, Winter, and Spring. Meal plans are automatically activated at the start of each quarter during the academic year. If you change or cancel your plan, there is a pro-rated board meal cost charged to your student account for the days the plan was active, whether used or not. If you move between the residence halls and apartments, your requirement will change and your plan may need to be adjusted.

Terms of Agreement

Meal plans are automatically activated at the start of each quarter during the academic year.

Block Meals and Declining Balance (DB) Terms

- Meal Plan DB's, **including the Flex Plan**, (not Add-on DB's) and Guest Passes expire at the close of business on the last Thursday of the break period following the quarter in which they were issued.
- The Add-on DB offered at the beginning of each quarter will carry forward each quarter until the end of the academic year, June 12, 2020.
- Students can add DB Dollars to a meal plan at any time during the agreement by ordering online at www.evergreen.edu/dining. Add-on DB carries forward from quarter to quarter, but will expire at the end of the academic year, June 12, 2020.
- DB dollars can be used in any dining services venue except the Flaming Eggplant Cafe.
- Block meals included with the meal plan expire 2:00 pm the Friday of evaluation week each quarter.
- Block meals from mandatory plans are not transferrable to other people.
- Block meals and Guest Passes can only be used in the Greenery.

Meal Plan Changes

- Any plan changes must be done by Friday of week 1 each quarter. Students should continue to use their current meal plan until the day the change/cancellation will take place.
- The amount of the charge will be determined by how much declining balance dollars have been used and by the number of days that the plan was active for the term that the change is requested.
- To change meal plans, students may utilize the meal plan change portion of their housing profile found at www.evergreen.edu/housing/apply
- More than one meal plan change in a given period will result in a \$40 administrative fee.

Payments and Refunds

- Payment is due by the Friday of week 1 each quarter.

- Meal plans will be billed to student accounts before the beginning of each quarter, Fall, Winter, and Spring. No refunds or cancellations will be made the last 30 days of each quarter.
- If you change or cancel your plan, there is a pro-rated board meal cost charged to your student account for the days the plan was active, whether used or not.
- If you officially check out of the residence halls due to a withdrawal, leave of absence, or are exempted from your meal plan through the petition process, your Meal Plan will automatically be cancelled. Failure to properly check out of the residence halls will result in additional charges.

Lost Meal Card Charges

There is a \$25 fee for replacing lost Meal Cards for all plan participants.

RAD Reward Plan

The RAD Reward plan can only be selected by students living in the apartments or returning students that are living in the Residence Halls.

Thrifty 250 Plan

The Thrifty 250 plan is an all DB plan that is the minimum requirement for students living in the apartments. This plan's DB does NOT roll over from quarter to quarter.
