

The Evergreen State College
Evergreen New Student Survey 2005
Tacoma Analysis

Which location do you plan to attend all or most of the time during your Evergreen studies?

New students were asked which location they planned to attend all or more of the time during their Evergreen studies. Of the 862 responses to the New Student Survey 2005, 58 responded that they were planning to attend all or most of the time in Tacoma. Four of the respondents had codes in BANNER (the student database) that indicated that they were studying in Olympia fall quarter and the rest were studying in Tacoma their first quarter at Evergreen. For the Tacoma analysis, respondents were selected based on this question; therefore, 100% of the respondents indicated that they plan to study in Tacoma.
