

The Evergreen State College
Evergreen New Student Survey 2007
Olympia Campus - First-time, First-years

Do you plan to focus on a particular field or fields of study at Evergreen? If yes, please describe the field or fields of study you plan to focus on.

A total of 348 first-time, first-years, 64.7% of first-time, first-year respondents indicated that they planned to focus on a particular field or fields of study at Evergreen. Respondents were asked to describe the field(s). All of the first-time, first-years who indicated that they planned to focus except four wrote a response to the open-ended question. A content analysis of the responses was performed in which the fields that students described were categorized into the four main divisions of the liberal arts.
