**Evergreen New Student Survey 2007**  
*Olympia Campus*

**How do you identify yourself? (Gender)**

New students were asked to indicate their gender. While students designate their gender on college applications, the college application requires students to indicate their gender as either "female" or "male." This survey question gave survey respondents the additional choice of "other." The percentage who reported "other" on the survey was 0.8% of first-time, first-year students and 1.4% of transfer students.

*How do you identify yourself?*

	<b>First-time, First-year Students (N=529)*</b>	<b>Transfer Students (N=362)*</b>
Male	47.6%	36.2%
Female	51.6%	62.4%
Other	0.8%	1.4%

\* Does not include the students who skipped the question altogether.
