Parents' Educational Attainment

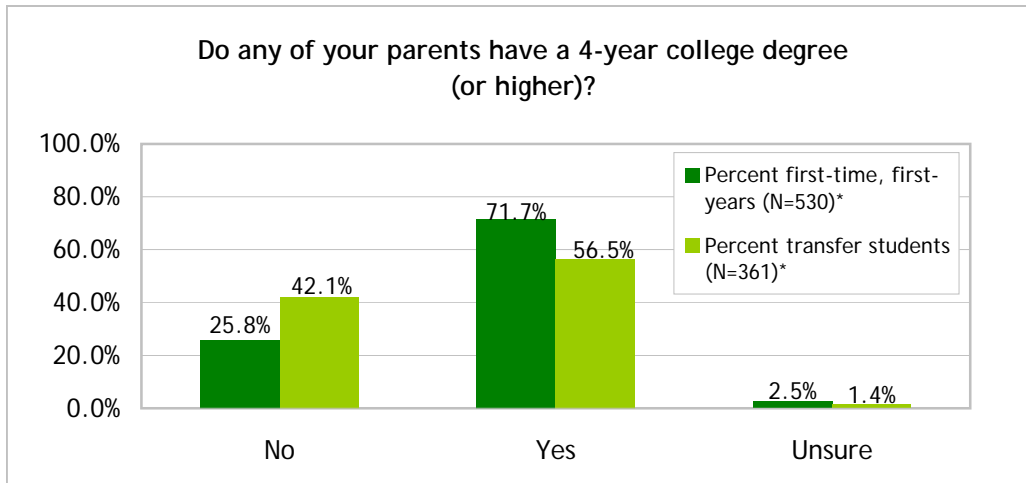

New students were asked to indicate whether or not their parents had attended college and if any of their parents had earned a 4-year college degree or higher. Of respondents, 89.1% of first-time, first-year and 77.8% of transfer students said at least one of their parents attended college. At least half of first-time, first-year (71.7%) and transfer (56.5%) indicated that at least one of their parents have a 4-year degree or higher. Less than 1% of first-time, first-year students and 1.1% of transfer students were unsure about their parents' education.
