

The Evergreen State College
Evergreen New Student Survey 2007
Tacoma Program

Legend for Mini Charts

How often have you...?

Tacoma students were asked to indicate often they often they had interacted with different groups of people and used specific resources. "Interacted with people of different race or ethnicity than your own" and "Interacted with people of a different religion or of different spiritual beliefs" and "Used the internet or other online sources to do research" had the highest mean responses. "Gone to the library to do research" had the lowest mean response.

Tacoma Students (N=50)

How often have you?

	<i>Skills Listed from Highest to Lowest Means Scale: 0=Not At All, 1=A Little, 2=Some, 3=Often, 4=Very Often</i>	Mean	Not At All (0)	A Little (1)	Some (2)	Often (3)	Very Often (4)	Missing
	Interacted with people of a different race or ethnicity than your own	3.59	0.0%	0.0%	12.2%	16.3%	71.4%	1
	Interacted with people of a different religion or of different spiritual beliefs	3.33	0.0%	4.1%	16.3%	22.4%	57.1%	1
	Used the internet or other online sources to do research	3.33	0.0%	2.1%	18.8%	22.9%	56.3%	2
	Interacted with people of a different sexual or gender orientation than yourself	3.23	0.0%	8.3%	14.6%	22.9%	54.2%	2
	Interacted with people of different political beliefs	3.22	0.0%	2.0%	22.4%	26.5%	49.0%	1
	Gone to a library to do research	2.85	2.1%	4.2%	31.3%	31.3%	31.3%	2
