

The Evergreen State College
Evergreen New Student Survey 2007
Tacoma Program

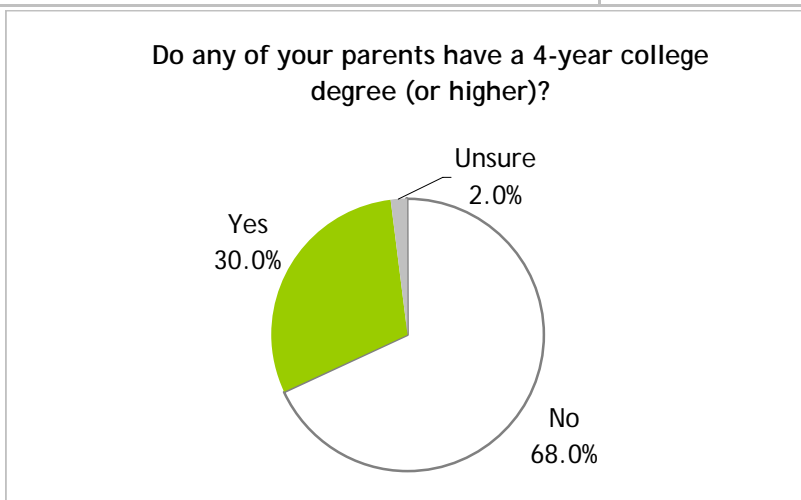

Parents' Educational Attainment

New students were asked to indicate the level of education of their parents. Of the Tacoma Program survey respondents, 50% indicated at least one of their parents attended college. A total of 30% indicated that at least one of their parents have a 4-year degree or higher and 2% indicated they were unsure about their parents' education. Fifty percent of new Tacoma students reported that none of their parent had attended college and 68.0% indicated that none of their parents had earned a 4-year degree or higher.
