Dependent Children and Childcare

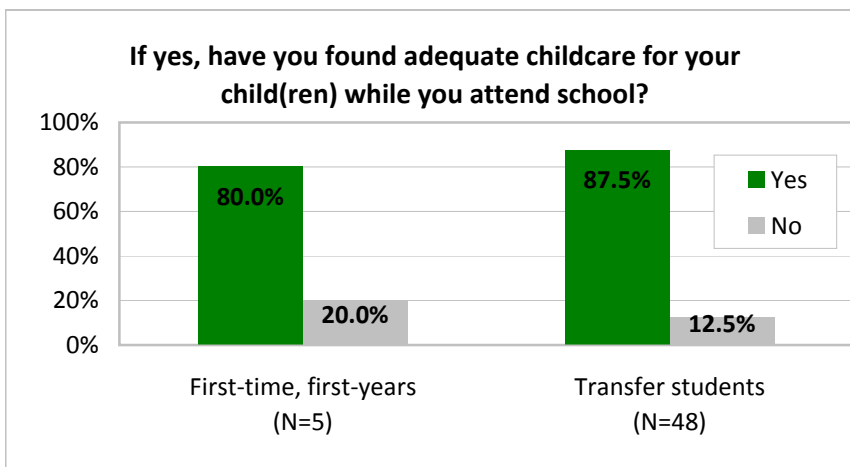

Fewer than 1.5% of first-time, first-year students indicated that they have dependent children who live with them compared to 13.7% of transfer students. Students who indicated they had dependent children living with them were asked whether they had found adequate childcare. Eighty percent of first-time, first-years (N=5) and 87.5% of transfer students (N=48) indicated that they had.

Do you have any dependent children who live with you?
