***Excited/Enthusiasm for Evergreen (N=5)***

Can't wait yay!

I am sooo excited to come here in the fall

I chose Evergreen TACOMA specifically for its size and diversity. I will be commuting from Seattle--that's how invested I am in this particular campus.

Glad to finally be attending Evergreen

Evergreen's mission 'enter to learn, depart to serve' really helped me find a college that accomplishes my goal of helping others. It aligns its self with my values.

***Financial Situation and Financial Aid (N=2)***

I was laid off [over a year ago after longterm employment]. I currently [very underemployed and] need a part-time job to stay in school

I do not get supported by my parents at all and do not get any help from anyone except for the financial aid from the Pell Grant.

***Facilities and Campus Support (N=2)***

Need a bigger computer lab and cafeteria.

Registration day needs to have IT Tech on hand as well as registrar to fix gliches.

***Non-Resident, Transfer and Non-Traditional Student Issues (N=1)***

I don't live with my parents. I am married with a child [and] it is important that I stay home with him.

***Thank You - General (N=1)***
