

The Evergreen State College
Evergreen New Student Survey 2012
Tacoma Campus

Parents' Educational Attainment

Tacoma students were asked to indicate whether or not their parents had attended college and if any of their parents had earned a 4-year college degree or higher. A total of 49.2% of Tacoma students indicated at least one of their parents attended college, which was the same percentage of students indicating that indicated neither of their parents attended college. Fewer than 2% of Tacoma students were unsure whether their parents attended college.

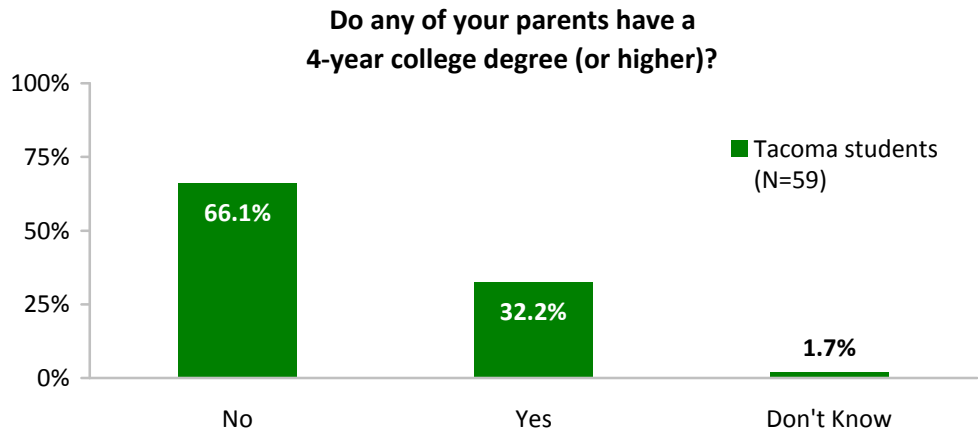

Have any of your parents attended college?
