

The Evergreen State College
Evergreen New Student Survey 2012
Tacoma Campus

Electronic/computing devices

Tacoma students were asked what type of electronic/computing devices they own. Nearly 70% of Tacoma students indicated owning a laptop computer, which was by far the most frequently owned type of electronic equipment. Approximately 54% of the students indicated owning a smart phone, whereas a lesser percentage indicated owning a desktop computer (44.1%) or cell phone (40.7%). Less than 10% indicated owning a tablet computer or some other kind of electronic/computing device.

Which of the following electronic/computing devices do you currently own?

	Tacoma students			
	%		N	
	Yes	No	Yes	No
Desktop computer	44.1%	55.9%	26	33
