**Does not include those who skipped the question*

What do you plan to do after you graduate?*

Job or Internship

After I achieved my Master's in Psychology, I will concentrate on my writing career.

Apply (and get in) to the Master's of Public Administration program @ Evergreen. Grow my career at [a non-profit].

Become a Christian Counselor - Administrator of a women's Ministry

Building a career

Continue on to Graduate school. Start my own business

Continue to work with a focus on psychology and addiction

Earn a counseling position or another Public Health position at a hospital / internship.

Get a career and make a living.

Graduate School, work full-time

I plan on a career focusing on advocacy and service to the Veteran and Elderly populations.

I plan to continue my efforts of making the community a better place. Ideally working in the political field in some capacity or advocating for the arts.

I plan to get a job that I love and pays well.

I plan to work with at-risk youth while starting a mentoring program

Non-profit leadership

Own a business maybe non-profit

Run my own business or do work that is hands-on in the community

Social Services

To move towards my Masters degree in Social Service and to gain employment

Work and continue going to school

Work in the field of [environmental] studies

Work of a non-profit organization and continue to be involved in my community specifically youth outreach.

Work with at risk youth or work in a private school teaching

Work with at-risk youth

Work, continue education, help others

Work/Get Master's
