

# Commute Trip Analysis: Location of Student and Employee Addresses within Census Blocks

## Intercity Bus routes that serve The Evergreen State College

- Route 48
- Route 41

## Number of Evergreen Employee and Student Addresses Per Acre in Census Blocks

- 0.000000000 - 0.279017857
- 0.279017858 - 1.00267380
- 1.00267381 - 2.23214286
- 2.23214287 - 6.25000000

Map produced by The Evergreen State College, Office of Institutional Research and Assessment. This map shows geocoded student and employee addresses by census block. The data are normalized by acres within each census block to show concentrations of employee and student addresses in relation to bus routes that service The Evergreen State College. Addresses are from Fall 2004. Data was classified using the Natural Breaks (Jenks) method. Map revised December 2007.
