Thank you to the following seniors who participated in the academic planning workshop panel and video: Koffi Assouan, Molly Bailen, Aaron Barnes, Kelly Sanger, and Alan Wong.

A special thanks to the first-time, first-year Evergreen students who generously shared their time and experiences for this project.

Report Authors

Laura Coghlan
Kitty Parker
Julie Slone

The authors gratefully acknowledge the input of many others, especially Sara Rucker Thiessen and Jean Eberhardt.

Table of Contents

Transitions to Success Outreach Advising Project: Summary	6
Chapter 1: Introduction	11
I. The Transitions to Success Project	11
II. Background and Definition of Issues	11
A. Freshmen Retention History at Evergreen	11
B. Washington State Accountability	12
C. Comparison to National Freshmen Retention Measures	13
D. Evergreen-specific Research Questions	13
E. History of the Transitions to Success Project	14
1. Year One	14
2. Year Two	14
III. Review of Literature	15
A. Demographic Impact on Persistence	15
B. Engagement in Community	16
C. Non-Academic Transition Factors	16
D. Self-Efficacy	17
Chapter 2: Methodology	19
I. Year One: Academic Year 1999-00	19
A. Sample	19
B. Project Methodology	19
II. Year Two: Academic Year Two 2000-01	21
A. Sample	21
B. Project Methodology	21
C. Participant Interview Domains	23
D. Other First-year Student Activities	24
III. Administrative Data	24
Chapter 3: Year One Data Summary	25
I. Chapter 3 Highlights	25
A. General Demographics	25
B. Early Fall Quarter Interview	25
C. End of Fall Quarter Interview	26
D. Winter Quarter Interview	26
E. Spring Quarter Interview	27
F. Spring Quarter Evergreen-specific Survey	27
G. Transitions to Success End-of-Year Evaluation	27
H. Fall 2000 Follow-up Phone Interview	27
II. Sampling and Demographics	28
A. Gender	28
B. Ethnicity	28
C. Residency	28
III. One-on-One Interviews	29
A. Fall Intake Interview #1	29
1. Additional Demographics	29
2. Expectations of Evergreen	30
3. Academic Program	31
4. Reflecting on Orientation Week	33
5. How's It Going at Evergreen?	34
6. Looking Forward	37
B. End of Fall Interview #2	37
1. Thanksgiving Break	37
2. How's It Going?	38
3. Advice for Prospective Students	39

4. Project Feedback	40
C. Winter Interview #3	40
1. Change in Living Situation	40
2. Future Plans	40
3. Academic Program	41
4. Academic Progress	43
5. T2S Project Feedback	44
D. Spring Interview #4	45
IV. Workshops	46
V. Writing Assessment Activities	46
VI. Control Group Demographic Comparisons	47
VII. Evergreen Student Survey (Sample and Control Group)	47
VIII. College Student Experience Questionnaire	49
IX. Year One T2S Evaluation	50
X. Follow-up in Fall 2000	53
A. Sample and Methodology	53
B. Reflections on Participation in T2S 99-00	53
C. Activities in Second Year at Evergreen	54
D. Institutional Confidence and Intent to Persist	55
E. Sense of Connectedness to Evergreen Community	56
Chapter 4: Year Two Data Summary	57
I. Chapter 4 Highlights	57
A. General Demographics	57
B. Fall Quarter Interview	57
C. Winter Quarter Telephone Check-in	58
D. Spring Quarter Interview and Written Survey	59
E. Academic Planning Workshop	60
F. T2S Evaluation	60
G. Control Group Comparisons	60
II. Year Two Participant Demographics	61
A. Gender	61
B. Ethnicity	61
C. Residency	62
III. Fall One-on-One Interview	62
A. Use of E-mail	62
B. Living Arrangements	62
C. Employment and Funding Sources	62
D. Academic Program	63

XI. Summer Check-in	123
Chapter 5: Retention	125
I. Chapter 5 Highlights	125
A. T2S Year One Retention	125
B. T2S Year Two Retention	125
II. Fall-to-Fall Retention Overview	126
III. T2S Year One Retention	126
A. Fall-to-Spring Retention	126
B. Retention to Second Fall Quarter	127
C. Retention to Third Fall Quarter	127
D. Relationship of Administrative Data Variables to Retention	127
1. Verbal SAT	127
2. Variables That Showed No Difference in Retention	128
IV. T2S Year Two Retention	128
A. Fall-to-Spring Retention	128
B. Retention to Second Fall Quarter	128
C. Stressors and Retention	128
D. Confidence and Retention	129
E. Connectedness and Retention	131
F. Learning Gains and Retention	131
G. Satisfaction with Evergreen Experience	132
H. Academic Program Variables and Retention	132
I. Demographic Variables and Retention	133
J. Retention to Third Fall Quarter	133

Chapter 6: Conclusions	134
I. Response to Research Questions	134
A. What factors influence the persistence of first-year students at Evergreen?	134
B. What causes students to leave?	135
C. What causes students to stay?	135
D. What interventions did the students experience?	135
E. Were the interventions the students received effective?	136
F. What challenges do first-year students experience at Evergreen?	137
G. When do students make decisions about when to stay at or leave Evergreen?	137
H. How do students “do” Evergreen?	138
I. What are the characteristics that help students succeed at Evergreen?	138
J. How does a student’s sense of connectedness to evergreen affect first-year retention?	138
K. How confident are first-year students that they can get the education they want at Evergreen?	138
L. Does students’ institutional confidence affect their retention?	139
M. Does students confidence in their own academic skills affect their success?	139
II. Implications for Practice	139
A. Introduction	139
B. Implications for Academic Advising	140
1. One-on-One Advising	140
2. Group Advising	141
3. Assessing Advising Practices	142
C. Recommendations for First-Year Academic Offerings	142
D. T2S Participant Suggestions	143
E. Assessment of Student Writing	143
F. Future Research Questions	144
