

## **Special Faculty Meeting Minutes – FINAL**

**November 26, 2012**

Faculty Chair Drew Buchman opened the meeting at 3:16.

Academic Dean Search DTF member Naima Lowe opened the interview by asking the Academic Dean candidates (Jeff Antonelis-Lapp, Scott Coleman, and Sarah Ryan) to come forward. Naima provided some framing information and thanked the candidates for standing and participating in a rather strenuous interview process this week. The candidates were asked to provide a brief introduction and respond to the following question: given your vision of the college, what do you see as our biggest challenges and what makes you interested in serving as dean now? This was followed by a general question and answer session.

The meeting was adjourned at 4:57 p.m.
