

Special Faculty Meeting Minutes
November 28, 2011
SEM II D1105, 3:00-5:00pm

A special Faculty Meeting was called to interview four academic dean candidates.

Academic Dean Search DTF Chair Tom Womeldorff opened the meeting at 3:15 by introducing the candidates:

- Academic Dean for Budget and Space – Lee Lyttle, David McAvity (to replace Ken Tabbutt)
- Academic Dean for Curriculum – Andrew Reece, Elizabeth Williamson (to replace Bill Ransom)

Tom then posed the following question, prepared by the DTF, for all of the candidates to respond to:

The college is ever evolving. Two recent significant changes have been the addition of the United Faculty of Evergreen (including the negotiated collective bargaining agreement) and continued cuts in state budgetary support. Given your vision of the college, what are the challenges and opportunities of working in this environment for you?

The meeting was then opened for a general Q & A session, which continued until 5:00 p.m.
