PRINT Name of authorizing Person      Agency

Signature of Authorizing Person      Agency Mailing Address

Title          City      Zip  Code

THIS REQUEST IS VALID FOR ONLY ONE QUARTER

I. ELIGIBILITY
Tuition Exemption: To be eligible for the tuition exemption program, an employee must be:
1) An employee of a state agency and be certified by the agency as eligible for the exemption according to RCW 28B.15.558
2) A teacher or other certificated instructional staff employed at public common or vocational schools, holding or seeking a valid endorsement and assignment in a state-identified shortage area.

II. CREDIT LIMIT
Up to six (6) undergraduate quarter hours may be taken each quarter on a space available basis using the exemption program. Employees registering for more than six (6) credits will be charged full tuition for all credits. No new course sections will be created as a result of participant registration.

III. FEES
A nonrefundable registration fee of $30 per quarter will be assessed each participant to cover the costs of program administration. In addition, participants will be charged for special course and academic fees when applicable. Employees will also be expected to pay course add/drop fees and other fees as appropriate.

IV. EXCLUSIONS
Tuition waivers cannot be used for self-supporting courses (including summer school). This tuition waiver is available during the fall, winter, and spring quarters. Employees enrolling under the tuition exemption program are not eligible to use certain services and facilities supported by service and activities fees, including library services and media loan, nor are employees eligible to purchase tickets to athletic or performing arts events at student rates. Employees do not receive a student ID card or validation sticker and are unable to receive student rates for services.

V. REGISTRATION
a. Mail or turn in this completed request for tuition exemption to the Registrar’s Office. Registration begins on the 2nd day of each quarter on a space-as-available basis, which means open space in the class with no existing waitlist.

b. No course which admits students on a space available basis shall be overenrolled or filled beyond pre-established class size limits.

VI. CREDITS
Credits will be determined and posted to participant’s transcripts in the same manner as regular tuition-paying students. Evaluations will be sent to students each term. Transcripts must be requested from the Registrar’s Office.

I have read the guidelines above and understand the limitations of this tuition waiver. I hereby request a tuition exemption as an employee of the State of Washington.
